

## DEVELOPMENT GRANTS

### PROFESSIONAL DEVELOPMENT GRANTS

---

The Foundation supports the professional development of Ambulance Officers by providing financial assistance to attend a conference or similar activity.

The conference or activity must be relevant to paramedic practice, pre-hospital care or emergency medicine, and recipients must be able to demonstrate that their attendance will help them to meet a career development objective.

This grant will be made to any Ambulance Officer for a significant contribution to the promotion or development of the corporate image of QAS generally.

The grant will provide financial assistance to attend a conference or similar activity in the pre-hospital care or emergency medicine fields.

There are a number of Professional Development Grants (ranging in value from \$1,000 to \$2,000) available depending on sponsors.
